

## HOW TO GET INVOLVED?

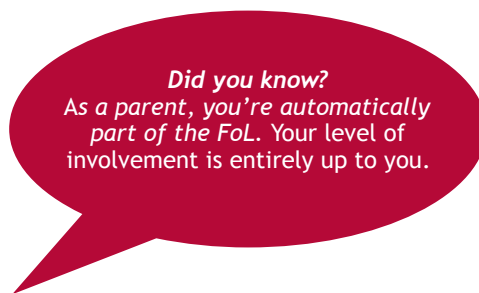

---

**Prizes / Raffle Prizes:** With our big Christmas and Summer events and we're always in need of prizes. If you (or your employer) are able to offer any kind of prize, we'd love to hear from you. We've found that the easiest way to get Raffle Prizes is to simply ask, if you've got any ideas for local shops and businesses that we can contact, do not hesitate to get in touch.

**Event Sponsorship:** We are looking to build good relationships with businesses that donate money in return for advertising at our events. If you have contacts with any company that would be interested in advertising with us or sponsoring one of our events, then please let us know.

**Attending the Events :** We work hard putting together each event but their success is dependent on people coming along and joining in.

**Second hand uniform:** Used uniform is quality-checked, stored and sold by Clare James-Roll. The proceeds from donated items are given to the FoL. If you are looking for an item between sales, please feel free to message Clare [clarejamesroll@yahoo.com](mailto:clarejamesroll@yahoo.com) directly to see what she has in stock.

**FoL** - We love to have new faces and new perspectives at our meetings. We feel it is important for parents across the school to be represented when we gather to make decisions. The committee meets at the school a few times every half term. Everyone is welcome! Dates can be found in the school app calendar.

**Organisation & planning** - Each event requires a great deal of work behind the scenes to put everything together, you might not be able to help on the day but there is plenty to do in the lead up. For example: designing posters, shopping for supplies and many other little jobs.

**Volunteering at Events** - There are always lots of small jobs during events and we need plenty of assistance. Help doesn't need to be just from parents, we welcome grandparents, aunts & uncles and anyone willing to lend a hand.

We are the Friends of Lyndhurst, a lively group of parents and staff.

The ethos behind our events is *fun*. We believe in getting the families together should be our number one goal, any money raised from our shenanigans is the cherry on top.

We have our termly '*Parents Socials*' and our two big annual Family Fayres (Winter & Summer), in addition to multiple events for the children and/or parents throughout the year.

The proceeds from our events are used to provide some extra curriculum fun for the children - they work so hard, they deserve it!
