

Considerate Parking at Lyndhurst School

Dear Parents

We are very fortunate to be situated in a lovely quiet residential area. Our neighbours are aware of the school's needs, and we must respect the potential impact we have on their lives.

My priority is the safety of the Lyndhurst community. We have worked closely with the local council for many years, but as ever this is a very slow process. We cannot change the way road users behave but I do hope that I can change the way the Lyndhurst community behaves. This is not about parking bays, yellow lines, zigzags or road signs, it is about being considerate and us all helping to keep our Lyndhurst family safe.

Put simply, please do not park, even briefly, on either side of the road outside the school buildings and driveway at any time. There can be no exceptions to this. There are plenty of parking spaces a maximum of 2 minutes' walk away from the school drive.

We ask the children to be the best version of themselves and I urge you all to do the same please.

Kind regards,

Andrew Rudkin
