

# PARENT BULLETIN

FRIDAY 2ND FEBRUARY

## From the Headmaster

*Be Brave*

*Saying the word 'yes' unlocks so many doors.*

We have discussed ways to be brave and encouraged the children to step out of their comfort zone more this week. Saying yes is brave and so is saying no. This links in with our safer internet workshops which have taken place in school today. Last week it was the fire and rescue service and this week we welcomed the police to talk to our Early Years children. The sirens and blue lights certainly added to the fun had by all. As I write we have a group of runners taking part in the ISA Cross-Country and I look forward to hearing how they get on. Our subject focus this week is Art. We are so lucky to have a wonderful Art space and a fantastic Head of Art, Mrs Dodds. I am constantly blown away by the variety and quality of art produced by your children. So many different types of media used, designs made and advertising projects too. We also have our very popular media club. All the children love their Art and Craft and we are proud of all they produce.

Thank you to the parents and staff who joined us at The Cabin last Friday, much fun was had by all. Please see below the extensive activities being supported by The FOL. We look ahead to the Valentines Disco next week.

Have a great weekend, be brave and try something new!!

## UPCOMING EVENTS
