

PARENT BULLETIN

TUESDAY 27TH FEBRUARY

From the Headmaster

Be You

https://www.youtube.com/watch?v=ZYWi_KQmxHs

I hope you all enjoyed a wonderful half term break. I certainly enjoyed the glimpses of Spring we saw, briefly. The Puzzles Workshop was much enjoyed by all last week. Teamwork, thinking outside the box and competitive spirits aplenty. This competitive spirit continued in our girls' football fixture against Barfield - we won 3-2 after a closely fought match. A group of parents and staff showed their competitive sides too last week with our FOL Bingo Night. Much fun had by all. Thank you to the FOL for organising and to Mrs Rudkin and Miss Morgan for leading the event.

We focus this week on the importance of being you and celebrating who we are. I shared the link above with the school this morning. Looks like the writer borrowed our school values!! This week we have our Healthy Me Day - a day of exercising our mind; body and soul. I have enjoyed reading the school reports over the weekend and it is clear we have a school of individuals who have much to offer and who we celebrate being themselves. We look forward to discussing their progress in more detail with you this week and next at Parents' Evenings.

proudly raising funds for

CHILDREN WITH CANCER UK

As some of you may or may not know I am running the London Marathon on Sunday 21st April 2024 and I will be running it for an incredible charity named Children With Cancer UK.

I have organised a raffle which has some brilliant prizes and I will be drawing it on Saturday 2nd March.

If you would like to support me/the charity by buying some raffle tickets I would be incredibly grateful and have attached the link below.

If you donate to the page and leave your name and surname, I will know that this is for raffle tickets and I will write them up and either hand them directly to you or put them in the reading folders to come home. Thank you to those who have donated already! I have also attached a poster to this email with a list of the top prizes.

WORLD BOOK DAY

Thursday 7th March

Read-a-thon Week will start on 4th March

Every will class take part.

The teachers will send the Reading Bingo personalised to their year group.

Every time a pupil reads a book from that list during that week, they then get a teacher / teaching assistant to ask them a question about it. If their answer is correct, they get a raffle ticket.

The more books read, the bigger chance for winning. A Reading Champion for each year group will be chosen during Assembly on the **11th March**

Thursday 7th March

We would like each child to bring a box with clues describing a book of their choice, from a country of their choice: **A Book In A Box. What a fun, creative way for the half term!**

You will need a box, which can be a cereal box, shoe box or smaller then decorate (inside and out) to represent the different parts of the book!

Things you can do:

- *draw or cut out pictures of the characters or significant objects from the book*
- *recreate a scene from the book inside*
- *include interesting quotes from the text*
- *include the title and author of the book too*
- *make it as colourful and exciting as possible*

For inspiration look at examples of books in boxes on Google "Book in Box project ideas". The box needs to be clearly labelled with the name and year group. Bring the box to school on Thursday 7th March for our exhibition and judging
